## DEF

(DIESEL EXHAUST FLUID)  
ADBLUE PLUS (AUS 32)

**Description :** Zetpro DEF (Diesel Exhaust Fluid) is one of the key elements of the SCR (Selective Catalytic Reduction) process. When injected into hot exhaust as a fine mist and passed over a catalyst, DEF helps convert NOx (nitrogen oxide) into nitrogen gas and water vapour to clean and harmless components of the air we breathe. DEF is non toxic, stable, colourless and odourless, and meets accepted international standards for purity and composition.

**High purity solution for treatment of SCR equipped diesel engines,**

- Optimal storage temperature 230F to 860F.
- Avoid direct exposure to sunlight.
- Non-flammable / Non-hazardous / Non-toxic / Non-explosive DEF is a chemical product, not a petroleum product.
- DO NOT MIX WITH DIESEL FUEL.

**Available :** 5 Ltr, 20 Ltr,  
50 Ltr & 210 Ltr.

**Specially Blended for Heavy Duty Diesel Vehicles**

## ZETPRO FRONT FORK OIL

**Description :** Zetpro Front Fork Oil is specially formulated for application in hydraulic front forks in motorcycles and other shock-absorbing mechanism. It provides excellent dampening characteristics even in rough terrain.

**Application :** Recommended for All types Front Fork Oil

**Available :** 175 ml, 350 ml.
